The Japan Annual-International Art Festival is driven by the mission of "Co-creation across Art, Design, Science, Technology, and the Economy - Communicating the Beauty and Spirit of Japan to the World, and Shaping the Future." With Kyoto, the thousand-year-old capital and cultural heart of Japan, as its base, the festival aims to connect regions across Japan and around the world. The 3rd Japan Annual-International Art Festival will be held over a six-month period alongside the Expo 2025 Osaka, Kansai, which includes participation from 158 countries/regions and seven international organizations. By linking the Expo venue with Kyoto, Osaka, the Kansai region, and the entire nation, the festival seeks to contribute to a virtuous cycle of culture, the arts, and socioeconomic development, and to the creation of a well-being-oriented future where life shines brightly.
